

# kestral

giving you the complete picture

Not every RIS is the same. Not every solution provides all the features you need with the support to back it up.

To see through a problem to the right solution, you need the complete picture, whatever your situation.

Packed with all the right features, as well as a host of uniquely powerful capabilities, Karisma is the best choice RIS for Australia and New Zealand.

Here are just some of the reasons why;

- Exhaustive Inbuilt Search Capability
- Comprehensive Management Reports
- Seamlessly Integrated Accounting
- Complete Auditing of Everything
- Workflow Centric SMS Integration
- Customer Kiosk Built In
- Dedicated, Personalised 24/7 Support

Talk to Kestral and make sure you're getting the complete picture.
